

NOLA

BEER + WHISKEY

OUR DRINKS

We take our drinks pretty seriously here at NOLA, boasting a curated selection of independent beers on our 16 taps, whisk(e)y collection of over 350, and a sophisticated cocktail selection.

Don't know where to begin? Ask one of our knowledgeable staff for a recommendation!

~ WHISKY ~

We believe our selection of liquid gold can rival any collection and please any palate. Our master of whiskies strives to maintain a balance of old favourites and the latest experimental releases. There are whiskies from all over the world here, and we'd suggest exploring something local too.

This menu serves as a guide to our range, but there is always something new to try. If you fancy a few, half nips are a good option.

*So settle in and have a read, pick something, or have a chat with a bartender
- We're here to help.*
