# WHISKY + WHISKIES

## » AT NOLA ADELAIDE «

.....

*Welcome to NOLA*

We believe our selection of liquid gold can rival any collection and please any palate. Our master of whiskies strives to maintain a balance of old favourites and the latest experimental releases. There are whiskies from all over the world here, and we'd suggest exploring something local too.

This menu serves as a guide to our range, but there is always something new to try. If you fancy a few, half nips are a good option.

So settle in and have a read, pick something, or have a chat with a bartender

- we're here to help.
